Grade 2: Week 1

😊 Day 3

Reading

Practise reading the following story until you can read it easily by yourself.

Lesedi had always wanted a dog. He thought it would be fun to play with it and it could sleep on his bed. But every time he asked, his mum and dad said no. "Too much work," they said. One day, a friend asked Lesedi to look after their dog for a week. You can imagine how Lesedi felt! Mum said, "All right, if you do all the work". It rained all week and Lesedi did not enjoy his three wet walks a day. When the dog jumped on Lesedi's bed with filthy paws and trampled through his toys, he decided a dog was too much work.

Discussion
