Grade 2: Week 1

Day 4

Reading

Practise reading the following story until you can read it easily by yourself.

Lerato's class pet

It was Lerato's turn to take Speedy home. "Take good care of our class pet," her teacher said. She handed Lerato a cage. Speedy, a small white mouse, was sleeping in it. Lerato hugged the cage all the way from her class to her seat on the bus. "A mouse!" Some kids shrank back. Others wanted to hold Speedy. Lerato said, "No, he might run away." Suddenly, the bus hit a bump. The cage door popped open. Speedy jumped out. "Wait!" Lerato ran after Speedy. "Catch that mouse!" Kids screamed and stood up on their seats. Some kids jumped into the aisle to help catch Speedy, but Speedy was too fast. He climbed over seats, darted under seats and raced down the aisle. The bus pulled up at Lerato's stop. "What is going on?" the driver huffed as he opened the door.

"Catch that mouse!" Lerato cried, running down the steps.
