

ART

This week we are going to do some art that you can easily do at home. We are going to be doing GERM art! Let's see how scary you can make your germs!

Things you will need:

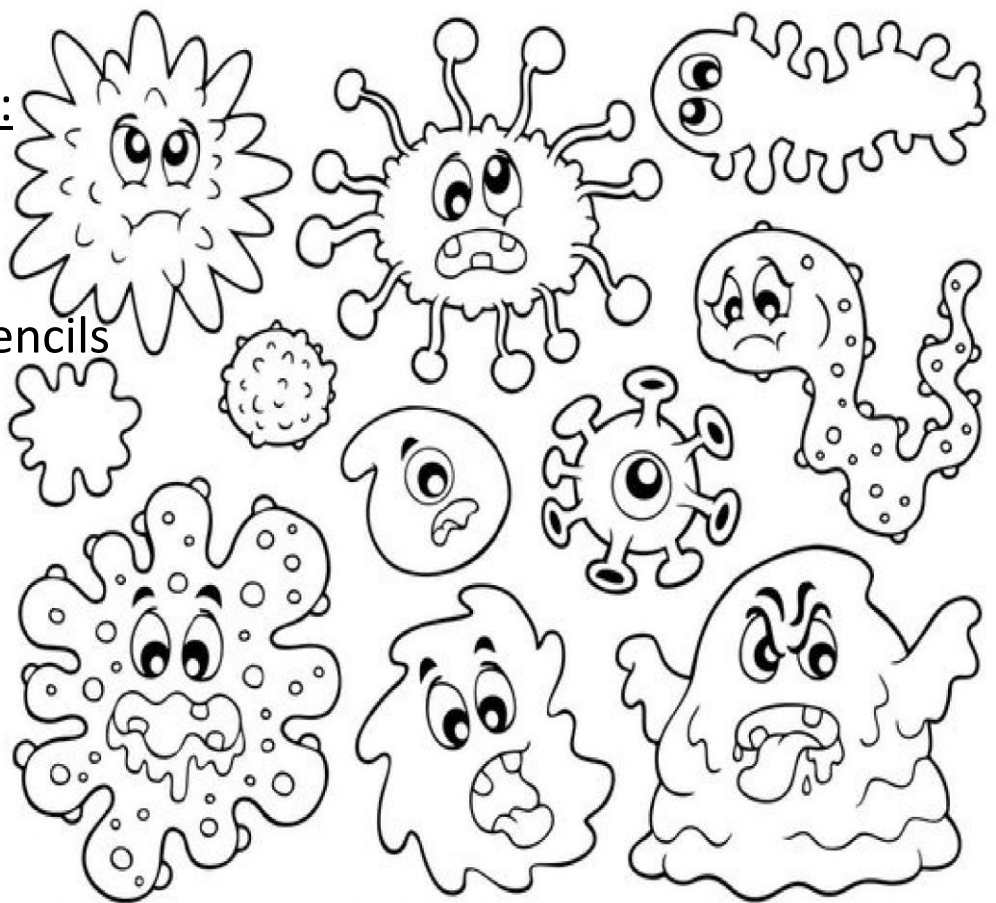

A pencil

Your hands

Some colouring in pencils

A piece of paper

Your imagination!

These are just some of the scary germs we can't see but are there!

I want you to draw the scariest germ you can, remember to use the whole page! Make sure you colour in nice and dark, always colour in the same direction and be CREATIVE!

ENJOY AND REMEMBER TO WASH YOUR HANDS!!
