

**Memorandum for lesson 2,3 and 4.**  
**Please mark with a green pen.**  
**Anything you got wrong please write the heading**  
**“corrections” and put the correct answer down in green**  
**pen.**

### **Lesson 2: Listening Skills**

Putting the steps on “how to play war?” in the correct order.

#### **HOW TO PLAY WAR:**

1. Shuffle the cards.
2. Deal 26 cards to each player. Keep them facing down.
3. Flip your top cards at the same time.
4. The card with the highest value wins. The winner takes both cards.
5. If the player has the same card, war is declared and you must put a card facing down and then one facing upwards. Whoever has the highest card wins all 6 cards.
6. Game ends when a player has all 52 cards.

### **Lesson 3: Reading Comprehension**

Read the story about “Traditional Games” and answer the questions.

1. The name of the game that Itzel Cruz played was “Sun and Ice”.
2. You need two teams to play the game.
3. If you are touched you are not allowed to move.
4. To move again someone from your own team had to get near you and say “Sun”.
5. Tunkay Goksel comes from Turkey.

6. The game he plays is called Korebe.
7. Five to ten children can play this game.
8. If you are blindfolded it means your eyes are covered and you can't see.
9. The game "ACHI" is played by school children in Ghana.
10. Coloured pebbles are needed to play the game.
11. The board is marked out in the dust with a stick.
12. England is the other country that the game is played in.
13. defrost: **freeze**  
imprisoned: **free**  
same: **different**

#### **Lesson 4: Reading Comprehension**

Put the magic trick steps in the correct order.

##### ***A trick to impress your family.***

You will need:

- A glass
- Water or cooldrink
- A4 cardboard (poster thickness)

Steps

- a. Fill the glass with water right to the top.
- b. Hold it in one hand and with the other hand put the cardboard on top.
- c. Hold the cardboard tightly in place and turn the glass upside down.
- d. Take your hand off the cardboard and the paper wont fall off and the water wont spill out.
