

## **Grade 4 PSW**

Good day,

Please make sure to answer questions in your classwork book the same way you would do in class. For example, write down the date and heading as well as numbering your questions correctly. Time allocation for activities are 40 minutes for each activity, the same as one period at school. There are approximately 2 activities per week in which you can space out. For example do activity 1 on Monday and activity 2 on Wednesday or Friday. A memo will also be given and corrections should be done. Enjoy and all the best!
