

Good morning Grade 7s

21 April 2020

Welcome to Term 2!

Today we are going to look at the key features of a youth novel.

Can you remember the **key features of a literary text** that we learnt about last term?

Let's revise.

## Match the numbers in Column A with the letters in Column B on p.86 in your textbook.

(TIP! You can refer back to the table you copied into your book last term for the answers.)

The Youth Novel we will be referring to today is called *Sharkey's Son* by Gillian D'achada.

It is a novel about a boy who lives in a fishing village; when he discovers a girl in trouble on the beach, he rescues her and a firm friendship develops between them. This particular extract describes the rescue of the girl at their first meeting.

Read the text on p. 87-88 very carefully, keeping the key features of literary texts in mind. Then answer the questions that follow on p. 89-90. <u>Remember</u> to use the techniques you have been taught to help you answer the questions.

## Do Classroom Activity 3 p 87 (Comprehension section) in your classwork book.

(You do not have to answer question nr 4, as we have not done the listening comprehension in Classroom Activity 1 yet.)

**Reading:** continue reading the next 5 pages of your class reader.

**Spelling:** revise the first 10 words (spelling & meaning) of Spelling Unit 1.
