

Week 1 Lesson 5

1. Oral Counting: Count 0 to 40 and 40 to 0
2. Find the following numbers on your 50 or 100 chart. Find the number with your finger. Say the number. Write it.

Saying the number helps you to write it.

THIRty (sounds like 3) so 36 write a 3 and a 6.

TWENTy (sound like 2) so 21 write a 2 and a 1.

FORty (you can hear the 4) so 42 write a 4 and a 2.

If you say "teen" there is a 1 in front, so 14 write a 1 and a 4

16	22	36	40	24	12	33	14	7	28
----	----	----	----	----	----	----	----	---	----

3. Use your number chart to help you find these

Which number comes before?

_____ 5

_____ 15

_____ 21

Which number comes after?

8_____ 15_____ 26_____

Which number comes between?

6_____ 8

22_____ 24

35_____ 37

4. Story Sums: Draw the picture and write the answer.

- Vhutali was hunting for Easter eggs. She found 6 in the garden and 2 more under the bed. How many did she find altogether?

- Kabelo baked 10 cupcakes. He and his mom ate 7 of them at teatime because they were delicious. How many cupcakes are left?
- There are 6 children at the party table, but only 3 chairs. How many more chairs do we need?
