

TECHNOLOGY- GRADE 7

Impact of cell phone towers on the people and the environment. Pgs. 112-114

NB: Section continues from week 1: worksheet 1

Cell phone towers enable us to communicate with people across the world. They come in all shapes and sizes. Some are even situated on buildings. People have lots of opinions on the effects of these towers on society and the environment. Building Structures also have an impact on society and the environment.

Read the information on page 112 and activity 4 case study on page 113 and answer the questions that follow on 114.
