

## WEEKLY PROGRAMME

20 – 24 April 2020

**SUBJECT:** MATHEMATICS

**GRADE 5 MATHEMATICS**

**EDUCATOR:** MRS V PRETORIUS

Hi Grade 5s, I hope you are all safe, happy and healthy.

We've discussed how I want the maths work laid out in your classwork books. This includes the work you will be doing from your textbook and the worksheets you will get on D6 communicator.

Remember to:

1. Fold your page in half.
2. Write your date, heading and page numbers.
3. Write out the whole question and/or the whole sum (except word problems, just your working out)
4. Show all your working out. Do not just write answers.
5. Work neatly and accurately.
6. Follow the instructions in the textbook and on the worksheets.
7. Memos will be posted at the end of each week.
8. Do your corrections in green pen, exactly as we always did it in class.

You do not have to print the worksheets. Just copy the questions into your classwork books. You can write your answers in colour if you want to.

I gave you the following work to do during the lockdown. Please make sure the chapters are completed. I will give you extra worksheets on the topics so that you can practice your skills. We will go through all the topics again once you are back at school to make sure you understand everything.

Week 1 20/04 – 23/04

- Capacity pg. 59-64
- Whole Numbers pg. 68-74

Week 2 27/04 – 30/04

- Common Fractions pg. 76-80
- Multiplication and Division pg. 91-92; 95-97 (I will explain Factors and Multiples when we get back to school)

Remember that practice makes perfect in maths! I miss you all very much and hope that we can be back together in the classroom soon! 😊

Love Mrs Pretorius

<u>DAY</u>	<u>CONCEPT</u>	<u>ACTIVITY</u>	<u>RESOURCES</u>
<b>MONDAY</b> <b>20/04</b>	<b>Lesson 1 a</b>  Capacity	<b>Capacity pg. 59-64</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Capacity, copy the questions from the worksheet and complete (you may write your answers in colour).	Viva Mathematics textbook.  Worksheet on capacity.
<b>TUESDAY</b> <b>21/04</b>	<b>Lesson 1 b</b>  Capacity	<b>Capacity continued. pg. 59-64</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Capacity, copy the questions from the worksheet and complete (you may write your answers in colour).	Viva Mathematics textbook.  Worksheet on capacity from yesterday.
<b>WEDNESDAY</b> <b>22/04</b>	<b>Lesson 2 a</b>  Whole numbers	<b>Whole numbers: Addition and subtraction (5-digit numbers) pg. 68-74</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Whole numbers, copy the questions from the worksheet and complete (you may write your answers in colour). Show all working out.	Viva Mathematics textbook.  Worksheet on addition and subtraction.
<b>THURSDAY</b> <b>23/04</b>	<b>Lesson 2 b</b>  Whole numbers	<b>Whole numbers: Addition and subtraction (5-digit numbers) continued. pg. 68-74</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Whole numbers, copy the questions from the worksheet and complete (you may write your answers in colour). Show all working out.	Viva Mathematics textbook.  Worksheet on addition and subtraction from yesterday.  Worksheet on rounding off.
<b>FRIDAY</b> <b>24/04</b>	<b>Memo and marking day</b>	Mark your chapters and worksheets on Capacity and Whole numbers. Write out your corrections in green pen.	Memorandums

**WEEKLY PROGRAMME****27 APRIL - 01 MAY 2020****SUBJECT: MATHEMATICS****GRADE 5 MATHEMATICS****EDUCATOR: MRS V PRETORIUS****All written work must be done in your Mathematics classwork book.**

<u>DAY</u>	<u>CONCEPT</u>	<u>ACTIVITY</u>	<u>RESOURCES</u>
<b>MONDAY</b> <b>27/04</b>	<b>Lesson 3 a</b>  Multiplication and Division	<b>Multiplication and Division pg. 91 – 97</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Multiplication and Division, copy the questions from the worksheet and complete (you may write your answers in colour). Show all working out.	Viva Mathematics textbook.  Worksheet on multiplication and division.
<b>TUESDAY</b> <b>28/04</b>	<b>Lesson 3 b</b>  Multiplication and Division	<b>Multiplication and Division pg. 91 – 97</b>  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Multiplication and Division, copy the questions from the worksheet and complete (you may write your answers in colour). Show all working out.	Viva Mathematics textbook.  Worksheet on multiplication and division from yesterday.
<b>WEDNESDAY</b> <b>29/04</b>	<b>Lesson 4 a</b>  Common Fractions	<b>Common Fractions pg. 76-80</b>  Read through the 'Extra help with fractions' information page.  Complete your classwork from your textbook as instructed.  In your classwork book after you have completed the chapter on Common fractions, copy the questions from the worksheet and complete (you may write your answers in colour).
