Natural Science and Technology Grade 5 Term 2 2020

TRADITIONAL WEAVING PROJECT

You are required to research information on ONE traditional craft for fabric making that uses weaving or knotting techniques. If you are in:

- JUPITER your topic for research is KNITTING
 - SATURN your topic for research is LOOM WEAVING
 - MERCURY your topic for research is CROTCHETING
 - NEPTUNE your topic for research is FRENCH KNITTING
- A. Prepare a speech (2 mins) on the history of that craft, its country of origin, place, people/person accredited with its invention, what raw materials are used, what it is used for, examples of such items, any changes that have taken place over the years (10)
- B. Prepare a poster **2X A4 sheets of paper**, to accompany your speech. It will contain the key information and some illustrations to support your speech. This takes the place of cue cards. (5)

You must be ready to give your speech (with your poster) when you return to school

PLEASE note you MUST keep to the size of the poster and it must be on PAPER (NO cardboard) as it must be pasted in your Assessment Book
