

Letterlike en figuurlike taalgebruik

(Literal and figurative language)

Letterlik (denotatief):

Woorde funksioneer presies soos dit beskryf word.

(Words function exactly as they're written).

For example:

Die lug is **blou**. (The sky is blue)

Meaning: The sky is the colour blue.

Figuurlik (konnotatief):

Die woorde het 'n ander of dieper betekenis.

(The words have a different or deeper meaning).

For example:

Dit is 'n **blou** Maandag. (It's a blue Monday)

Meaning: Things are going wrong.
