

**WEEKLY PROGRAMM****27 – 01 May 2020****SUBJECT: Natural Sciences, Technology****GRADE 7****EDUCATOR: Ms. H Reddy**

**Good day Grade 7's, I trust that you are all healthy and safe. I hope that you enjoyed your break at home and have completed all Revision for Term 1. Complete all exercises in your Technology and Natural Sciences classwork book. You do not have to print the pages, write down all the questions into your classwork book and complete questions in full sentences where necessary. You have your textbook as well to guide you.**
