

## **Accounting concepts practical activity.**

You will need the following:

- 1x A4 page (Please do not tear pages from your Ems exercise book)
- Different colour pens / colours
- Scissors
- Page 64 of your Ems textbook

- Step 1      Use the A4 page and make 12 flash cards
- Step 2      On the top of each flash card write down an accounting concept
- Step 3      On the reverse write down the meaning

### **Activity:**

Using your flash cards place them so that you are only able to read the accounting concept. Choose a flash card and say the meaning without turning to look at the answer. If you say it correct place it, one side. Place all the ones you have correct one side and the incorrect on the other side. Do this activity until you have more correct than incorrect.
