You need to do research on a cultural dance. Record your research on a page or print from the internet from home if you are able to. Follow these instructions to be able to complete this task:

You can choose your own culture or any other culture (national or international)

You need to do research on the following:

- Purpose (why the dance is performed)
- Context (where, when and by whom the dance is performed)
- Costume (what the dancers wear)
- Musical accompaniment (what instruments are used)
- Performers (who performs)
- Techniques (what steps and posture used)
- Style (how the dance is performed)

NB! Keep your research safe as you will need it when we go back to school.
